

# Glorious Easter is Approaching!

With its advent Nature will don its most beautiful spring garb and your boy will want to don an Easter Holiday Suit. Let us tell you right here that we are better prepared than ever to furnish it, and with Suit a pair of Maysville's Shoe Factory Shoes that we warrant to wear and without a murmur return the money if they do not give satisfaction. We want the youngsters to feel proud in wearing good shoes made at home.

To the boys of larger growth we will simply say if you want to show up 'good' put on one of our Stein-Block, Adler Bros. or Garson-Meyer Suits, and we promise you that you will be "in it."

No clothing house in the state shows the lines of goods we do, and "you know it."

Our spring Men's and Boys' Shoes are creations of art and "brand-spindle" new.

Look in our windows and you will see the best Hats, Shoes and Shirts in the world.

Let us call your attention to our Easter Holiday Neckwear. Nothing like them this side of New York.

THE Reason Why!

No one can tell if they have gotten the full possibilities of carpet selection unless they have seen a full line of Carpets. One might be willing when too late to give ten dollars more for another carpet. You've had it happen perhaps. But why make such a mistake this spring? Carpets cost money and they make or unmake a room. Why not give the pocket-book and room all the chance there is? When the word is out that Hunt's have the biggest and best line of carpets in town, and facts confirm the statement, isn't it good business to come direct here and see for yourself? That's all we ask. We don't fear comparisons, we invite them.

Art Squares

Woven in one piece, reversible, highly attractive in coloring and all patterns are worked out in elaborate border effects. They are desirable center pieces over other carpets or matting, and prove serviceable coverings for an oil or varnished floor. Blue, green, red, tan.

TOM CAMPBELL will have to take another whack at earning that \$10,000 blood-money fee.

HAVING captured GEORGE WASHINGTON AGUINALDO in Luzon, General FUNSTON ought to come home and capture BENEDICT ARNOLD ATKINSON in Boston.

It is to be hoped that Kentucky has sent the last of Tom Campbellism, and that a decent Attorney will be employed to prosecute in the new trials of the Goebel "suspects."

It was Secretary SALMON P. CHASE who said "The way to resumption is to resume;" and it was General FUNSTON who made up his mind that the way to capture AGUINALDO was to capture him—and he did it.

Among the reasons assigned by the Court of Appeals—the three Democratic Judges joining the Republican Judges in the opinion—reversing Judge Cantrell's Political Jury and giving JIM HOWARD another trial, is because of incompetent testimony admitted and also because of improper remarks made by the Commonwealth's Attorney in the presence of the Jury. But what of the "stump speeches" made by the Presiding Judge?

"It's a long lane that hasn't a turn" has been exemplified in the case of two of TOM CAMPBELL's "converted" "murderers." The Court of Appeals has reversed Judge CANTRELL and his unanimously Goebel Jury in the Caleb Powers and Jim Howard cases, ordering a new trial for each. In the Powers case, the three Democratic Appellate Judges dissented on some points; but in the Howard case the Democratic Judges unanimously agreed with the Republican Judges that HOWARD had not had a fair trial at the hands of the Cantrell-Campbell Combine. This, at least, vindicates THE LEDGER more.

It is highly gratifying to THE LEDGER to be indorsed by Chief Justice FAYETTE and Judges HENSON and WHITE, the three Democratic members of the Court of Appeals. THE LEDGER was at the time of the trial somewhat "strenuous" in its insistence that JIM HOWARD was being railroaded to the gallows by a partisan Court and a partisan Jury, aided by the most unscrupulous scoundrel that ever appeared in a Kentucky Court house to prosecute a case upon perjured testimony—all of which was pooh-poohed by the Goebel advocates and organs. The Court of Appeals, including the three Democratic Judges above named, has now indorsed THE LEDGER's statements. What think ye now, gentlemen, as to who was right?

The first number of The Louisville Retail Grocer, a trade journal, will be issued on next Thursday. Copies will be mailed to every grocer, baker and confectioner in Kentucky, Southern Indiana and Tennessee.

## DEPARTMENT COMMANDER.

What the Newspaper Boys Say About the Coming Contest.

Joseph Heiser Post No. 13, G. A. R. of Maysville has by unanimous vote nominated Captain Thomas A. Davis, Editor of THE MAYSVILLE LEDGER, for Department Commander of Kentucky. The committee to present and push his candidacy.

Outside Mercury.

Joseph Heiser Post No. 13, G. A. R. of Maysville has by unanimous vote nominated Captain Thomas A. Davis, Editor of THE MAYSVILLE LEDGER, for Department Commander of Kentucky. Davis is a man of the state, if not of the entire state. Brother Davis is a prominent G. A. R. man with a clean record both in and out of the service. He certainly deserves the honor of election to this position which he would fill with intelligence, dignity and honor.

Deserved Compliment.

Editor Thomas A. Davis Being Groomed For G. A. R. Department Commander.

Editor Thomas A. Davis of THE MAYSVILLE LEDGER is being groomed for the position of Department Commander of the G. A. R. and there is no one more deserving of this honor than he. Brother Davis is an earnest and loyal worker in the interest of his Comrades, and we hope to see him victorious. His record as a soldier needs no eulogy. He is a native of Kentucky, born in Maysville, but was living in Philadelphia when the Civil War began. April, 1861, he enlisted in Company C, Second Pennsylvania Reserve, was honorably discharged for disability in the fall of that year; in January, 1864, he again entered the army, as a private in Company L, Twentieth Pennsylvania Cavalry, serving under General Hunter and Sheridan in the Shenandoah Valley. He was successively promoted to Sergeant in the Company, Quartermaster-Sergeant of the Regiment, and finally to Adjutant of the Regiment, being mustered out with the rank in July, 1865.

Elizabeth has a Circulating Library Society of about forty members. Miss Jennie Benedict, a Louisville confectioneer, was elected a member of the Louisville Board of Trade. She is the first woman in that city to join that body.

## FAMILY WIPED OUT.

Misfortunes Which Have Befallen a Mason, County Man.

The old adage that "misfortune never comes single" is verified in the life of Mr. Bateson Pitt. About three months ago his little daughter was left in the room alone, and she fell in an open fire, and before her mother reached her she was burned so badly that she lived only a few hours.

It was such a shock to the mother she never recovered from it, and died in a few weeks.

She left a babe that lived only a short time after the mother's death. Their little boy contracted a cold going to his mother's funeral, which developed in pneumonia, from which he died yesterday.

In three months time he has been bereft of every member of his family. Mr. Pitt is a well-to-do farmer and lives near Sardis.

## A Day's Doing in Kentucky.

### BOONE'S FORK GANG.

Five of the Desperados Indicted For Murdering Mrs. Hall and Son Isaac Challenge.

Maying, Ky., March 30.—There is much excitement at Boone's Fork, above here, from the fact that 13 of the lawless element, all dangerous characters, five of whom are indicted for the murder of Mrs. Mina Hall and her son, Sherwood Reynolds, there in November, came together Thursday, all heavily armed, and sent word to John W. Owens, the detected "Wild Bill," the Cincinnati officer, and Head and Floyd Fleming at their headquarters on Elkhorn creek that they were ready for them. Later in the day Wright and his men returned the word, thanking them for his invitation.

Later Thursday night the Boone's Fork men sent the following by special messenger: "We are going to take dinner with you Friday. Be ready." They signed the message, "Fifteen Strong."

The five alleged murderers in the gang are Creed and Isaac Potter, Jr., John and Morgan Reynolds and Geo. Owens, all of whom are characters who have been resisting arrest for several months. Gov. Beckham offers a reward of \$500 for their arrest. The remainder are made up of the Potters, Berthels, Strongs and the Owens. A wholesale slaughter is expected when the meeting occurs.

CALEB POWERS SPEAKS.

Is Gratiified Over the Action of the Court of Appeals in Granting Him a New Trial.

Frankfort, Ky., March 30.—Caleb Powers did not make any statement on the court of appeals decision in his case until Friday morning, after he finished a careful reading of it. He said:

"Of course, I was gratified, although I expected it. With a fair trial before an impartial jury I shall be acquitted next time. Meaning I believe Goebel's murderers will be discovered. My friends will do all they can to unravel the mystery. I think the prosecution and defense ought to stick together to that end. They should get an expert detective who is reliable and put him to work. I do not think it my duty or the duty of the republicans to discover the murderer, but I realize that we will suffer as long as the assassin is not revealed, as many honest democrats believe representative republicans were engaged in the assassination plot."

Jim Howard also said he expected to be acquitted when his trial is finished in September. There is rumor that ex-Gov. John Young Brown will be dropped as counsel in the Powers case and ex-Congressman W. C. Owens will appear as his counsel for Powers.

There is also a probability of a special session of the Scott circuit court some time in the near future for a trial of the Powers case.

The board of trade has received the news and business men generally have taken an interest in having the receipts exceed the \$500,000 mark.

## CAPTURED LEADER.

Administration in a Quandary as to What Disposition Should Be Made of Aguinaldo.

WILL TAKE TIME FOR DELIBERATION.

There Are Various Questions to Be Considered in the Case Before a Conclusion Can Be Reached.

Trend of Views Expressed Indicate That He Will Be Transported to Some Place of Confinement Outside the Philippines.

Washington, March 30.—At the cabinet meeting the disposition of the captured Filipino leader, Aguinaldo, was under discussion.

The view of the majority of the cabinet was that the time is not yet ripe to decide what course should be pursued in the disposition of Aguinaldo. It is felt that some time should elapse to permit an opportunity to deliberate carefully over what course should be the wisest, whether it can be of any service to the United States government by remaining at Manila and exerting his influence in the direction of peace, whether it would be dangerous to permit to remain so close to the field of insurrectionary activity, or whether even it would be best to send him among the other insurgent prisoners on the island of Mindanao.

The disposition to deal otherwise than leniently with him, but there are various questions that will have to be considered in this case, such as the distance, whether he personally instigated assassinations of American and similar officers, which some of the members of the cabinet think should call for some action.

Can Not Pose as a Martyr.

It can not be too emphatically stated that the administration will avoid giving the captured leader a basis for posing as a martyr. The matter of transporting him to Guam will receive serious consideration. One senator, who called the "white house" suggested to the president the advisability of transporting Aguinaldo to some place like Tutuila, in the Samoan group, where, it was pointed out, he could be kept at a distance from the scene of his old operations and where he would be in a climate of which he could make no complaint. It is also pointed out, expressed by the cabinet indicated that ultimate transportation to some place of confinement outside of the Philippines was the course most likely to
